Who we are?

The "COMPANY" CHERNIGOV PACKAGE" (Ukraine) has been manufacturing custom-made plastic bags for more than 10 years, occupying a strong position in flexible packaging market.

During this time, we have won the credibility and trust of more than 10,000 companies that have applied to us with individual orders for the production of plastic bags and were satisfied with the quality, timing and price.

Own modern equipment that allows for the full production of polyethylene packaging, as well as a certified raw material base, provide the highest level of manufactured products in the optimal ratio of price-quality criteria.
